RE: RFP # 13-012-31, Inmate Medical Services

ADDITIONAL QUESTION & ANSWER

An RFP question was submitted concerning lawsuits for Health Care at Shelby County facilities. Below is the answer to that question.

1. During the last 3 years, the Shelby County Attorney's Office has received notice of the following lawsuits against the Jail (Sheriff's Office), the Division of Corrections, or Juvenile Court involving inmate medical care:

A. Jail--14. Some were dismissed as frivolous before service but the inmate had mailed material to the County Attorney's Office.

B. DOC--3.

C. Juvenile Court--0.

2. How many of those were settled?

There were no settlements of claims against the Jail, DOC, or Juvenile Court.
